2,000 years ago, on a Sunday afternoon, two heart-broken foot travelers were joined by a mysterious Stranger who asked the reason for their grief. Astonished that anyone wouldn't know what happened on Golgotha two days earlier, they tearfully recounted the horrific events surrounding the crucifixion of Jesus.

In response, the Stranger gently rebuked them for their ignorance of Scripture, then proceeded to show them all the things concerning the Messiah in the writings of Moses and the prophets. As if scales had suddenly dropped from their spiritual eyes, they saw Christ revealed in prophetic Scripture and were amazed they had missed seeing *Him* there before. They had never understood prophecy this way, and their hearts burned within them! Often they looked earnestly at their Companion, thinking His words were just the words Christ would have spoken.

The journey ended, but their souls hungered to hear more from this wonderful Teacher, so they urged Him to stay the night. As they sat down to supper, and He raised His hands in blessing, suddenly they knew it was Jesus! What a Revelation!

"The Revelation of *Whom?*" looks into the last book of the Bible with the intent of finding Jesus as the heart, core, center, and pivotal theme. It is His own book, in His own words, and He wants us to discover *Him* in it. The primary focus of this series will be an effort to find personal applications that impact one's daily walk with Christ. We will not "pin-the-prophetic-tail-on-the-donkey," but will find personal relevancy for every individual—regardless of denominational association. May *our* hearts burn within us as He shows us Himself, along the way.

Presenters

Since 2008, **Lee and Marji Venden** have been presenting All About Jesus Seminars full time. Fired by their love for Jesus and a passion to see the revival of God's people around the world, their

traveling ministry has extended in and out of North America. Their seminars are offered as an aid to pastors and churches desiring to deepen a congregation's corporate spirituality by assisting individuals in their personal walk with Christ.

"The Revelation of Whom?" seminar, is a sequel to their "All About Jesus Revival Seminar." Both seminars are designed to help people discover that a personal relationship with Jesus is the sum and substance of the Christian life. To that end, the seminars offer tangible, practical, plain-English suggestions on how to develop or deepen a meaningful friendship with Him.

Prior to their revival ministry, Lee worked as a pastor, educator, author and presenter for thirty years. Throughout those years, Marji has partnered with him, while also working as an educator. Their prayer is to be contagious Christians, reminding their listeners that the Good News about Jesus is simply wonderful and wonderfully simple.

The Savior is waiting to enter your heart,
Why don't you let Him come in?
There's nothing in this world to keep you apart,
What is your answer to Him?
Time after time He has waited before,
and now He is waiting again,
to see if you're willing to open the door;
O how He wants to come in.
