

# The Young Listener 07

Figure out what words the clues describe. Then find and circle the words in the grid. Words can go across and down only. When you are done, the unused letters in the grid will spell out a hidden message. Pick them out from left to right, starting on the top line and working your way down. You can write the message on the dotted line under the grid.

- |   |                     |
|---|---------------------|
| 1. The pretty flowers pastor showed <u>E</u> __ insects.  | C O M E J O S H U A |
